**Re U.S. v. Dennis, 20 Cr. 623 (LGS)-Application Requesting Return of my iPhone- 646-418-3329**

Dear Judge Schofield,

I submit this request for the Court to require the Department of Justice to return my iPhone with the number 646-418-3329.

The facts.

The iPhone was seized by the Department of Justice on November 16, 2021. On January 24, 2022 I was informed by the Federal Defenders of New York that the Department of Justice had completed its discovery with respect to the iPhone.

In making a decision as to this application I respectfully request the Court to consider the only e-mail account that the Department of Justice has permitted me to use during this period is woc2020@gmail.com. That e-mail account is also connected to my cell phone number 646-418-3329. Presumably someone in possession of the phone could access my only active e-mail account and read my e-mails relating to this case as I continue to prepare for trial.

Moreover I am receiving other messages on 646-418-3329 through the other messaging applications on the phone (ie. Signal and What's Up), some related to this case by parties who are unaware that I do not have possession of my iPhone.

I respectfully request that my iPhone be returned to me.

Thank you for taking the time to review and consider my requests.

Respectfully submitted,

Willie E. Dennis, Esq
